

NEIGHBOUR NOTICE

Slip Road Closures

Balfour Beatty is currently constructing the A9/A85 Junction Improvement and Link Road to Bertha Park scheme on behalf of the Council.

In order to undertake works required to build the new A9 Southbound On Slip Road from the A85 it is necessary to close the existing one that leads from Newhouse Roundabout on the A85. This closure will take effect on 8 October 2018 for a period of 2 weeks. During the closure diversion routes will be signposted via Inveralmond Roundabout. The section of road shown below in red will not reopen, but the new Southbound Slip Road will open on 19 October 2018 giving access from the A85 via the new road as shown in green below.

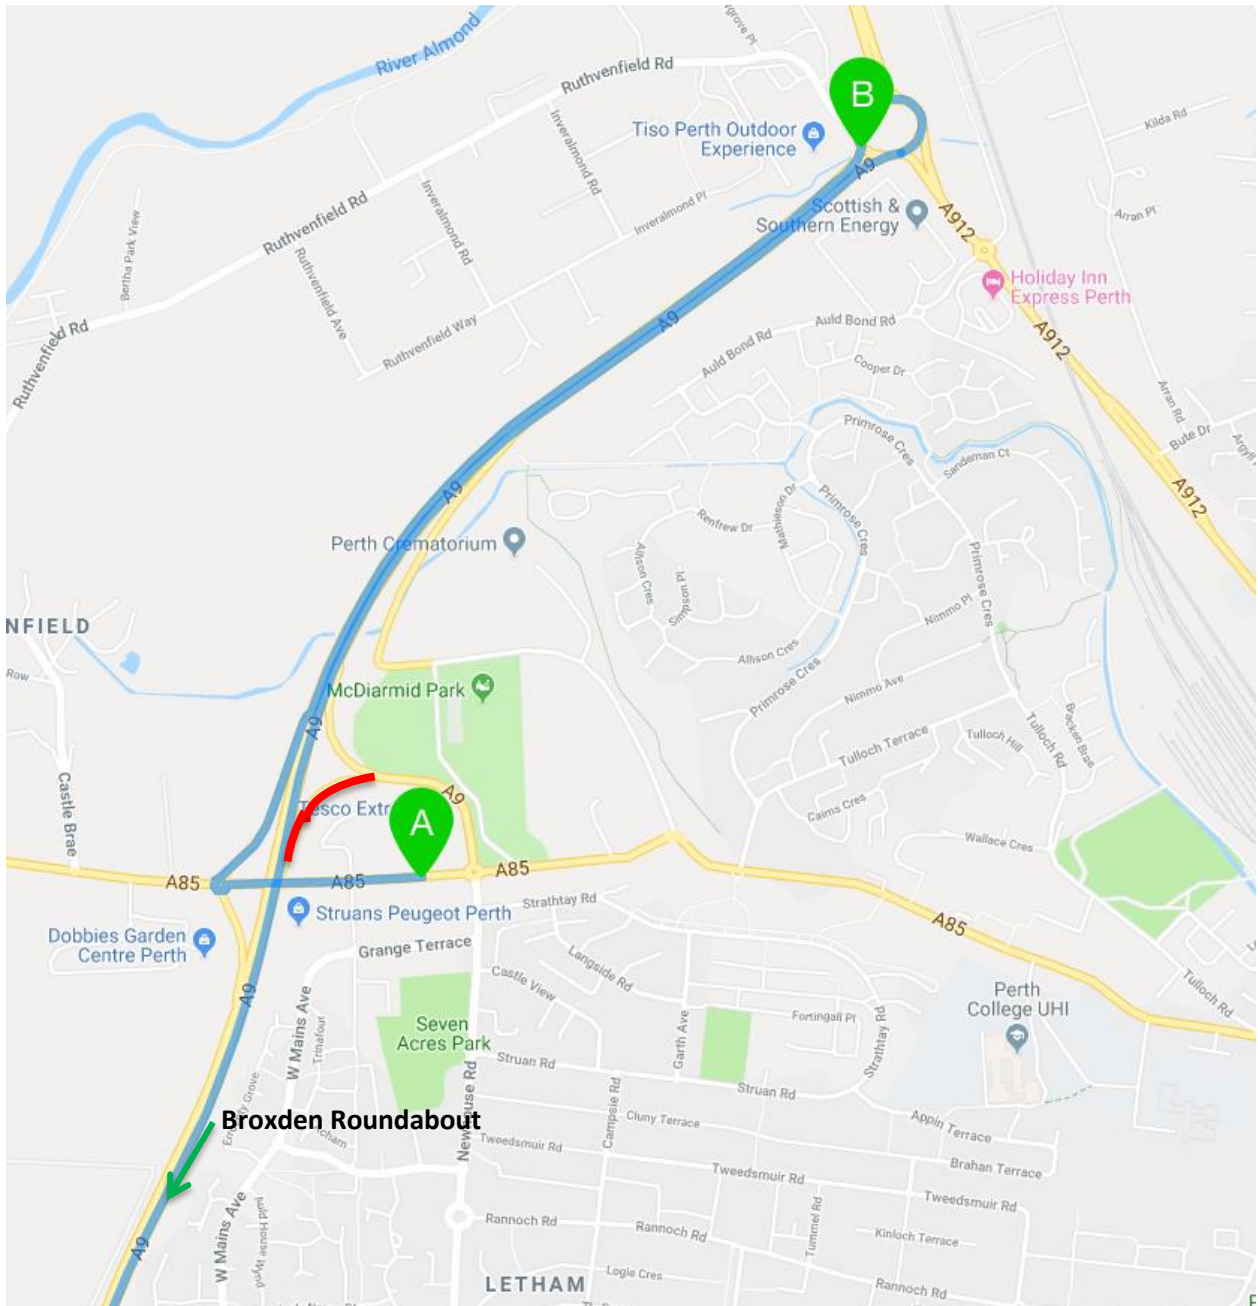

Once again Perth and Kinross Council and Balfour Beatty apologise for any inconvenience caused during these times.

Details of the proposals and the associated works can be viewed on the project website at www.perthtransportfutures.co.uk.

For more information, please contact Perth & Kinross Council: Telephone: 01738 475000, Email: roadsinfrastructure@pkc.gov.uk, Twitter: @PTFutures1

Diversion Route

— Slip Road to A9 Closed

— Follow diversion to join A9 towards Broxden Roundabout
